

BRIDAL CARRIAGES DATA PROTECTION STATEMENT

Your personal data is safe with us, we do not collect email addresses forwarding them to third parties, that would be illegal.

Your personal data will be retained for a maximum period of 4 months following the date of your wedding, at which time all data will be deleted. If you require us to delete it at some other point in time, please [email info@bridalcarrriages.co.uk](mailto:info@bridalcarrriages.co.uk) with your request quoting “data destruction”.

The exception being the documentation that HMRC requires us to keep for a minimum of six years following our annual tax return. That documentation will be kept safely following our tax return and only re-opened at the request of HMRC.

Once the six years has expired all information will be destroyed. Other than Bridal Carriages no other party will have access to any of your data except for accountants who will be able to access only that which they need to complete our annual tax return to the HMRC.
